

Valley Jewish Community Center

November 30, 2021

Dear Family and Friends:

Did you know that Jewish Community Centers have a rich history stemming back to 1854 when the first Hebrew Young Men's Literary Association was established in Baltimore to support Jewish immigrants?

Fast forward to the San Fernando Valley in 2021, and our Valley Jewish Community Center (VJCC) continues to support Jewish families and the community from the youngest preschool children to young adults, parents, and seniors. We are a Center for ALL!

If you're the parent of an 18 months to five-year-old, you might enroll your child in Today's Montessori. For youth, 5-15 years, we offer after school enrichment programs and the always popular JCC Maccabi Games for teens 13-16 years. VJCC offers a variety of programs and activities (currently limited due to COVID 19) for adults and seniors, including book reviews, fitness classes, health care and prevention classes, cooking classes, trivia nights, table tennis for adults to help delay memory loss, social groups, cultural programs and day trips, and a Men's Club. We are a Center for ALL!

The VJCC staff and support team continue to give tirelessly and unselfishly of themselves to provide a home for social, educational, and recreational programs for families and individuals that express Jewish values. To further our mission, we are working to find a new facility location, develop additional community partners and expand upon our geographical footprint into the Santa Clarita and Conejo Valleys.

We are a Center for **ALL**. With your help, your generosity, and your kindness we can continue to make a world of difference for our community. With your support, we can all make new friends, new memories, and have a future to look forward to. Because with you as our partner, we can continue to make a difference and create community.

To continue to offer and expand upon our resources and programs, we need your help. **Please consider donating to VJCC.** VJCC is a 501(c)(3) organization, so your contribution is fully tax deductible.
